

A Trusted Partner in Better Sleep, Health & Independence

Beds Electric is a Queensland-owned and operated business dedicated to helping people sleep better, feel better and live better through quality adjustable bed solutions. We work with occupational therapists, families and retirement communities across the region,

Our Mission: Make better sleep accessible to everyone through high-quality, affordable adjustable beds designed for comfort, convenience and well-being.

AT A GLANCE

Locally Owned

A South East Queensland business, proudly Australian owned and operated.

Wide Service Area

Free service across the Gold Coast, Greater Brisbane, Ipswich, Sunshine Coast, Noosa, Gympie and Northern NSW.

Fully Mobile Showroom

No physical storefront — we bring the beds and mattresses to you, keeping overheads (and prices) low.

Trusted Locally

Rated 4.5 stars by families and residents who've experienced our service firsthand.

How We Support Your Community

Two ways we add value on the ground: genuine, no-pressure demonstrations, and practical health education.

We Come To You

Our mobile showroom van travels directly to your village, bringing the bed model best suited to residents' needs, plus a small range of mattresses to try — a relaxed, hands-on way to see and feel the difference, no trip to a store required.

Free, No-Pressure & No Cost

Every session is free, with no obligation. For residents who go ahead, we also provide free delivery and installation within our service area — our aim is simply to leave residents better informed and more comfortable.

Helping Australians Sleep Better

Residents and families tell us these are the areas where the right adjustable bed makes the biggest everyday difference:

Joint Comfort & Bone Strength

Nerve & Neurological Comfort

Muscle Tension Relief

Heart & Circulation

Respiratory Support

Gut & Digestive Wellness
