Headboards

DEFINE THE STYLE

Beds Electric
Affordable Adjustable Bedding

TrueMotion headboards set the visual tone of the bedroom, offering a refined finishing touch that complements both adjustable and non-adjustable bed setups. With a curated range of designs, they allow customers to personalise their bed while maintaining a clean, cohesive look.

Enclose Headboard

Clean, rectangular design that frames the bed for a minimalist look.

Arena Headboard

Curved top with diamond tufting for a timeless, elegant finish.

Channel Headboard

Vertical channel detailing creates a bold, structured statement for a contemporary look.

Hamilton Headboard

Refined button detailing with a balanced, modern shape.

FEATURES

- Designer styles to suit modern and classic interiors
- Upholstered finish for comfort and visual appeal
- Creates a refined focal point for the bedroom
- Designed to pair with TrueMotion surrounds and furniture
- Available in two premium finishes:

Linen Woven Fabric

Charcoal Weave Fabric

- Compatible with adjustable and non-adjustable setups
- Available in Queen and King sizes
- Optional headboard brackets for flexible installation
- Warranty Details - Structural 5 years, Electrical Motors 10 years

Surrounds

ONE SURROUND. THREE FOUNDATION OPTIONS.

Beds Electric
Affordable Adjustable Bedding

TrueMotion surrounds are the upholstered outer frame of the bed, designed to create a finished, furniture-style look while supporting different internal base configurations. The surround forms the shell of the bed, while the foundation inside determines how it functions.

SURROUND STYLES

Slim Surround

Low-profile design with raised legs for a clean, modern look.

Standard Surround

Full-height surround that extends to the floor for a solid, timeless finish.

FEATURES

- Upholstered surround creates a finished, furniture-style bed
- Supports adjustable bases, timber slats or motorised lift storage
- Conceals internal base structures for a clean bedroom look
- Designed to pair with TrueMotion headboards and furniture
- Available in Slim or Standard surround designs
- Available in Queen and King sizes
- Warranty Details - Structural 5 years, Electrical Motors 10 years
- Available in two premium finishes:

Linen Woven Fabric

Charcoal Weave Fabric
